February 2009

For over a decade St. Thomas School has sponsored CampFair – a venue at which families, young people, and kids this year can preview over 80 summer camps. CampFair 2009 is hosting the largest number of camps ever! We are pleased to continue providing this as a service to the community with admission free to the public.

We are especially proud to welcome you to our brand new building and re-constructed campus for CampFair 2009. In previous years we had to use three separate buildings to accommodate all the camps and visitors. This year we can offer CampFair in one building. Please be sure to visit both wings of both levels of the building because camps will be exhibiting throughout the facility.

Last year ParentMap joined us as the co-sponsor of CampFair. ParentMap has been a wonderful partner, and we all should thank them for their wonderful assistance in making CampFair possible again this year.

Our primary mission as a school is the care and education of children, preschoolers through grade 6. As you walk through our facility, please take notice of the excellent environment St. Thomas School has created, including an abundance of natural light, a technology lab specific to the needs of elementary age children, and a science lab – and these are just a few of the features. We anticipate being certified as Gold LEEDS because of the energy efficient and “green” design of our new school. Please feel free to visit the St. Thomas School table at CampFair or learn more at [www.stthomasschool.org/](http://www.stthomasschool.org/).

We hope that you enjoy CampFair and St. Thomas School to the fullest!

Associate Head for Institutional Advancement

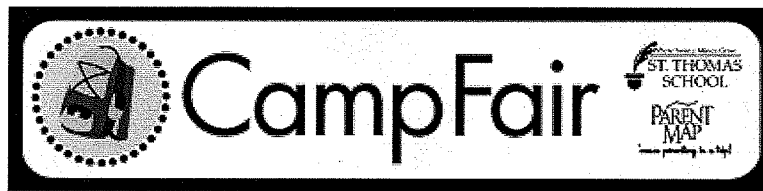

*ParentMap* newsmagazine is thrilled to partner with St. Thomas School on CampFair 2009! This great event is part of our growing list of education fairs and programs for parents that include the Pathways Lecture Series, the *LearningMap* Education Fair, and Preschool Preview Nights. In addition to our monthly magazine, we bring you special issues each year, including *BabyMap*, *SummerMap*, *LearningMap* and our award-winning *Family Directory*. Check out our award-winning, searchable Web site at [www.parentmap.com](http://www.parentmap.com).

*ParentMap* is locally owned— and we believe that matters. We live in the communities we serve – from Snohomish to Pierce counties - and care deeply about the same issues that matter to our readers. We partner with more than 60 organizations in the community, attending more than 180 events during the year.

Enjoy CampFair, and don't forget to sign up today for our FREE weekly Passport e-newsletter - a treasure trove of places to go and things to do with your kids. Sign up at [www.parentmap.com](http://www.parentmap.com). Play on!
