

KING TUT COLORING PAGE

At the museum, we:

1. Look with our eyes, listen with our ears. But we don't touch!
2. We keep our hands at our sides, behind our backs, or in our pockets.
3. Walk carefully and slowly. We never run!
4. We always use a quiet inside voice.
5. But mostly, we have fun learning all about King Tut!

Can you find these?
Can you guess what they are?
